

ALQASR GARDEN IS BACK!

AlQasr Garden will open its doors again, at the beginning of April, after it was damaged by the storms, earlier this year.

Tremendous effort has been put for a comeback that is even stronger, just in time for Amman's glorious spring and summer weather.

We're sure you've missed the largest garden in Amman because we have!

CELEBRATING INTERNATIONAL WOMEN'S DAY

International Women's Day is driven by group efforts to take action for abolishing gender parity. "The story of women's struggle for equality belongs to no single feminist nor to any one organization but to the collective efforts of all who care about human rights." Gloria Steinem, world-renowned feminist, journalist and activist.

So, we stand together to make International Women's Day a day to make a positive difference for women. Our team share their views too!
