ABOUT

Owned by the Royal Society for the Conservation of Nature and operated by ATICO Fakhreldin Group, a Jordanian holding company operating in multi-service hospitality management.

The center aims to generate an income for the rural communities of the 8 reserves in Jordan protected by RSCN.

The Wild Jordan Center also promotes ecotourism, whereby custom-made tours accommodate those interested in a very special and unique experience at various reserves.

Wild Jordan Center is smoke-free.

Wild Jordan Center is divided into several areas where the spectacular view is a main focal point. **The View, The Trail, The Hub, The Family Café, The Market Place** and **Tree Room Work Space** are all dining, working and leisure spaces, which maybe enjoyed throughout the day.

DINING

The Wild Jordan Center offers a seasonal menu, which provides wholesome and hearty choices.

It has a wide variety of options to suit all tastes with delicious smoothies and cocktails to complement the meal.

Breakfast and brunch are popular with a wide ranged traditional spread.

BUSINESS

Wild Jordan Center offers unique, convenient and versatile meeting room facilities, with a remarkable view and full catering.

Meals and snacks are freshly prepared with special delicious flavors and many beverage options.

THE NATURE SHOP

RSCN's handicraft workshops use the natural assets of the protected areas to create sustainable economic and social benefits for local communities.

These nature-inspired businesses create distinctive handmade, artisanal unique high quality products that are sold at The Nature Shop, including food products.

They are wonderful souvenirs and gifts.

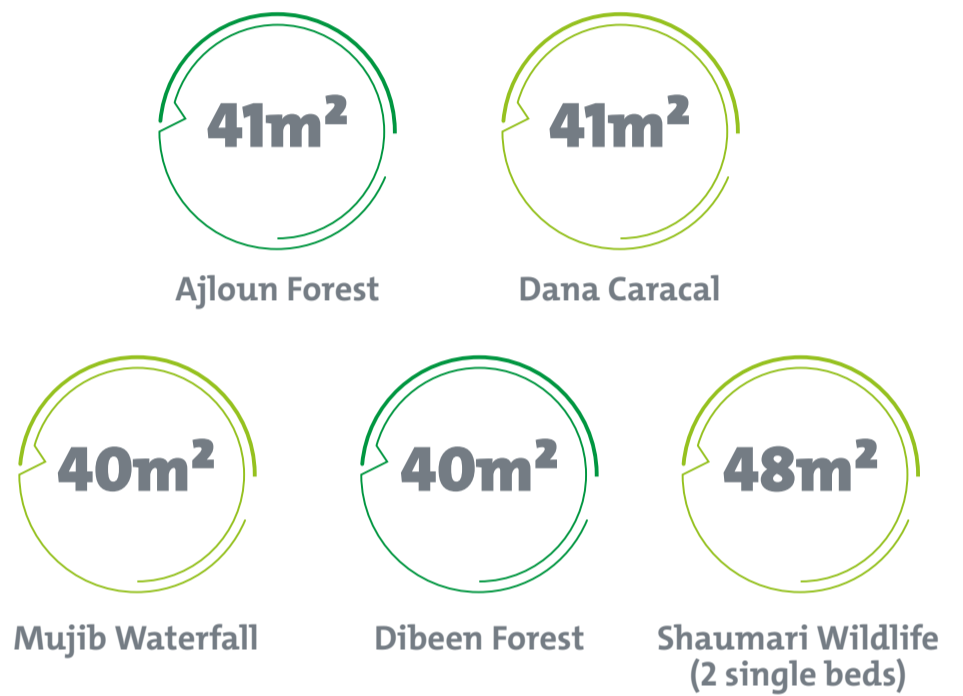

The 5 Lodges are long stay rentals with a simple environmentally friendly modern atmosphere.

Amenities

Each lodge has a magnificent view of old Amman, with a small charming balcony and a small seating area.
